

REQUEST FOR QUALIFICATIONS

Manatee County Port Authority is requesting Qualification Documents for Security System Integration Services funded under the American Recovery and Reinvestment Act. The Specification relates to the optimization and expansion of the port's Maritime Domain Awareness/TWIC Enhancement systems. The capability to integrate SCADA, Alarm Monitoring and Access Control systems is also required. For Details and Specs contact Sheila Neal (941) 722 – 6621 or sneal@portmanatee.com. All sealed documents are to be submitted by 2:00 PM on/or before September 9th, 2010. Manatee County Port Authority reserves the right to reject any/all submitted Qualifications.
